Wycliffe College Toronto, Dec. 7th, 1914
President R. A. Falconer,
University of Toronto,
Ont.

Dear Sir,

I notice that the University is experiencing some difficulty with regard to the German department.

I beg to state that I spent five years in Berlin and Hamburg, before I came to Wycliffe; and having taken up a thorough course in the German language, I understand the German tongue perfectly, I am especially well up in the pronunciation, and grammar. Thus if I can be of any use to you to give assistance in the department of German, I will be only too glad to assist if hours will suit me.

I am a Russian by birth, but am a British subject.

Yours faithfully

A. G. Silversight

A. C. Silverlight, Esq.,
 Wycliffe College,
 Toronto.

Dear Mr. Silverlight:

Many thanks for your letter and the offer of your services in the teaching of German in view of the possible difficulties that may arise from the leave of absence granted to the instructors in that department. I hope, however, that we may be able to effect exchanges with other Universities which will render it unnecessary to add to our staff.

With kind regards, I am,
 Yours sincerely,

President.
